Small Group Discussion Questions

- 1. Based on #1, above: When you see immaturity or "growth areas" in other believers, **how good are you at thanking God for the other areas of their lives where it is evident that God has been working?** If you seem to focus on the negative, why is that? How did God treat you when you were less spiritually mature?
- 2. Based on #1, above: There is always something to thank God for--even in our darkest moments. Are you grateful to God even before you see complete deliverance from hardships? **How is your** gratitude to God evident?
- 3. Based on #2, a., above: In what way has your love for God grown and shown in the last year? What area of your life shows more love for God by obeying him better?
- 4. Based on #2, b., above: How does the guaranteed return of Jesus change how much you try to control? How much you worry? And how you live with confidence?
- 5. Based on #2, c., above: If someone looked at your thoughts, your time or your checkbook, would they see how much you treasure God? Is he your "riches"? How?
