### Life Group Discussion Questions

1. Based on #1, above: Where is your opposition coming from right now? Are you fully aligned with God? Take note of those who oppose God's work and God's people.
2. Based on #2, above: When you sense resistance, or just get bad news, how do you typically respond? Nehemiah restrained his lips in the presence of his enemies, but opened his lips to the Lord. In what way can you benefit from these priorities?
3. Based on #3, above: Sometimes a good leader takes account of the mindset of the workers, and decides to slow down the pace of the project. How can your parenting benefit from this advice? What about your profession? What about your marriage?
4. Based on #4, above: In your marriage, what method needs adjusting? In your parenting, what method needs adjusting?
5. Based on #5, above: Even if we need to change our methods, we still need to be committed to the work God has called us to. After "the wall is half-built" we must remain focused on finishing the job. How can we pray for you to remain focused on finishing tasks? What is a "half finished task" that God may be calling you to finish?
