

Did you know . . .

Now that the new program year has started, check out the website calendar for **ministries, events, & details for all ages!**

As we transition from VHS tapes to DVDs in the church library, there are a variety of VHS **tapes available on a donation basis** (for children, for adults, and for families). For example, we have *The Newton's Workshop* science VHS tapes for children, *Larry Burkett Financial Freedom* for adults, and *Pilgrim's Progress* for the family. Contact Briana in the church office if you are interested (452.6520)
